**In order to get the most out of our course, students must follow a few simple rules:**

- Attendance and punctuality at all regular sessions is required.
- Attendance at 2 Review Nights and Full-Length Practice Test sessions is required
- Students should come to class prepared and ready to participate.
- Students are responsible for an additional 2-3 hours of homework per week in order to practice skills from the classroom sessions.
- Students may make up 2 classes with another scheduled group. No additional make-ups will be permitted.
- Course fees include all necessary materials and books, except a calculator. Students should bring the calculator they plan to use at the exam so that we can coach them on how to use it to the best advantage.

**150 Point Score Increase Guarantee:**

- Students must attend all required sessions and complete 90% of homework assignments.
- Score increase is measured from the last PSAT or SAT exam taken, or from an official practice test taken in our office to the SAT and ACT test date listed for that course.
- If a student's score does not increase by 150 points, the student may retake the course at no charge.
